

# Person Living with Memory Loss Support Group

This group is open to persons who are living with a memory loss diagnosis

Support groups can provide participants with the empowering reminder that they are not alone in their journey.

This is especially true when folks are experiencing changes in memory and thinking.

The goal of this new group opportunity is to facilitate connection, offer education, foster community, and further develop coping skills.

Pre-registration is required for first time attendees. To learn more about the group, please contact Janeli McNeal at [janeli.mcneal@duke.edu](mailto:janeli.mcneal@duke.edu) or Natalie Leary at [natalie.leary@duke.edu](mailto:natalie.leary@duke.edu).
