Sam Marion Performing Artist

Join us via Facebook Live as we enjoy the musical talents of Sam Marion. This month he will focus on songs from familiar movies that will transport us to the days of drive-ins, laughter with friends, and smooches with that special someone. You can listen from the comfort of your home, sing loudly, dance a little and enjoy a fun afternoon. Feel free to invite other family and friends. There is no charge and no registration.

Don't have Facebook? Don't worry, all attendees will use the below link to view the event. Stay tuned to our Facebook page and website for additional information.

Sam, a local celebrity, performs weekly for the folks at Charles House. A master of the keys, he can tickle the ivories while singing familiar songs.
