

Daughters Concerned for Aging Relatives

This group is open to daughters, daughters-in-law or granddaughters, or other female (non-partner) family members concerned about issues regarding aging relatives.

This group is open to care partners and is not dementia specific.

Pre-registration is required for first time attendees. To learn more about the group or to be added to the email list, please contact [Bobbi Matchar](#).

At this time, we are planning to meet virtually through the remainder of 2021. We will continue to evaluate the situation as the year progresses and offer plenty of warning if the group structure will change.
