

Dementia Caregiver Support Group

For support of caregivers in the African-American community

No affiliation with Duke or White Rock Baptist Church is needed for participation.

We aim to create a space where individuals, in similar situations, can come together and offer support and tips to one another.

This program includes an educational component with expert speakers on dementia and caregiving.

We are planning to meet virtually through the remainder of summer. Participants are welcome to join by video on Zoom or call in by phone. We will continue to evaluate the situation and offer plenty of warning if the group structure will change.

To learn more about the group or to be added to the email list, please contact Tiffany Summers, LCSWA.
