

Duke Dementia Evening Care Partner Support Group

An open support group meeting for care partners of persons living with dementia is held to offer a forum for information and mutual support.

Support groups can provide participants with the empowering reminder that they are not alone in their journey. The goal of our group is to facilitate connection, offer education, foster community, and further develop coping skills.

We are currently meeting virtually. Participants are welcome to join by video on Zoom or call in by phone.

To learn more about the group or to be added to the email list, please contact [Natalie Leary](#).

Details

Meets the 2nd & 4th Thursday of each month at 6:30 P.M.
(* denotes a change in the schedule).
