

CAREGIVER CONNECTIONS

AN EDUCATIONAL WEBINAR SERIES

How Technology Can Help the Care Partner

Wednesday, May 25th from 10:30 - 11:30 AM EST

Have you considered how technology might assist you in your role as caregiver? This webinar will introduce care partners to a variety of products to make caregiving easier. Products discussed will include those that can help with medication management, fall detection, wandering, and more.

Scott Grant, Owner of Graying with Grace

Scott Grant is the founder and editor of [Graying with Grace](#), a site to help seniors and their caregivers make smart decisions about their care. Graying with Grace offers product reviews on aids that increase independence for seniors.

Mr. Grant is a Certified Senior Advisor (CSA), an Assistive Technology Professional (ATP) and a Certified Rehab Technology Supplier (CRTS).

Can't attend the live event? Don't worry, all Caregiver Connections webinars are recorded and links to presentations will be available on our [website](#), along with information on upcoming events.

Click on [this](#) link to access the Zoom presentation the day of the event.
