

African-American Dementia Care Partner Support Group

No affiliation with Duke or White Rock Baptist Church is needed for participation.

We aim to create a space where individuals, in similar situations, can come together and offer support and tips to one another.

This program includes quarterly presentations by expert speakers on dementia and caregiving.

We are currently meeting virtually. Participants are welcome to join by video on Zoom or call in by phone.

To learn more about the group or to be added to the email list, please contact [Tiffany Summers](#), LCSW.
