

# CREATIVE IMPRESSIONS

## A memory care program with the North Carolina Museum of Art

Creative Impressions is designed for those living with memory loss and for their care partner(s). During this free, 90-minute program, staff from the NC Museum of Art will guide participants through a fun and mindful observation of an artwork from the Museum's collection as well as sensory engagements and an art-making activity related to the object. This is an interactive experience where sharing and discussion are encouraged.

Registration is limited to twenty (20) participants. Caregivers must register for two (2) tickets, one each for the caregiver and client. To register, visit [tinyurl.com/NCMA-CCL](https://tinyurl.com/NCMA-CCL) or scan the QR code at the bottom of this flyer.
