

Duke Dementia Morning Care Partner Support Group

An open support group meeting for care partners for individuals living with dementia.

Support groups can provide participants with the empowering reminder that they are not alone in their journey. The goal of this group is to facilitate connection, offer education, foster community, and further develop coping skills.

This group meets twice a month. The second Tuesday of the month virtually and the fourth Wednesday of the month in person.

**Grey Stone Church, 2601 Hillsborough Road, Durham
in the Family Life Center**

We recommend calling before attending in person for the first time.

To learn more about the group or to be added to the email list, please contact [Janeli McNeal](mailto:Janeli.McNeal@dukefamilysupport.org).
