We invite you to join us for September's Caregiver Connections Webinar, Grief 101, with Dr. Anthony Galanos. Dr. Galanos will offer a broad overview of grief with a special focus on anticipatory grief and caregiver bereavement – key challenges for many dementia family caregivers. Dr. Galanos is known for his engaging presentations, so this is an event you won't want to miss!

Dr. Anthony Galanos, MD

Dr. Galanos is a Professor of Medicine at Duke. He came to Duke in 1989 to do a Fellowship in Geriatric Medicine and stayed, starting the Geriatric Medicine Consult Service at Duke University Hospital and then the Palliative Care Service in 1998 at Duke as well. Palliative Care, end of life care, and hospitalized elderly were his early career interests. In the last four years, he has been focusing on grief, both personal and professional.

Can't attend the live event? Don't worry, all Caregiver Connections webinars are recorded and links to presentations will be available on our [website](#), along with information on upcoming events.
