This webinar will cover practical strategies for managing dental care in people living with dementia, including tips for daily mouth care and preparing for dental visits. It will also address questions from caregivers in our support groups about the unique dental challenges involved in dementia care.

**Presented by Faculty from the Henson Special Care &  
Geriatric Clinic at the UNC Adams School of Dentistry**

The UNC Henson Special Care & Geriatric Clinic provides care in the clinic and operating room settings for medically, physically, or developmentally compromised patients.

Can't attend the live event? Don't worry, all Caregiver Connections webinars are recorded and links to presentations will be available on our [website](#), along with information on upcoming events.
