This presentation will offer an overview of PACE including eligibility, services, and how to know if partnering with PACE might be helpful in your caregiving journey. PACE is a comprehensive managed care program of services and supports designed to help keep people living at home for as long as possible.

Kristin Hlebowitsh, MD, and Destiny Alston, MPA

Dr. Kristin Hlebowitsh is the Medical Director of PACE in Durham. She is an internist and geriatrician with a passion for holistic, inter-disciplinary, person-centered care.

Destiny Alston is the Community Outreach Manager of PACE in Durham, leading community engagement, building partnerships, and connecting older adults to resources and coordinated care.
