A diagnosis of mild cognitive impairment (MCI) or dementia can feel overwhelming. In this webinar, we'll walk through practical next steps to help you move from uncertainty to action. Think of it as a roadmap for the early stage of the journey. We'll cover how to:

- Decide who to tell — and when
- Put essential legal documents in place
- Protect finances and reduce risk
- Balance safety with independence
- Build a strong support team
- Create a backup plan before a crisis occurs
